

# ESF #14 LTCR COMMUNICATIONS MAPPING TOOL

## LEGEND

- Your organization and those with whom your organization needs the strongest communications linkages.
- Internal audiences (staff, department heads, etc.)
- Auxiliary groups within your organization or closely aligned to your organization or its work.
- Peer groups or sub groups (like committees and or task forces).
- Primary audience peer groups or sub groups.
- Groups outside of your organization's immediate sphere of influence or geographical area but where communications connectivity is important to the efforts of your organization.
- Strong and frequent communications connectivity needed to a primary audience.
- Strong but less frequent communications connectivity needed to a secondary audience.
